

Add An Action

This game is great for small spaces.

Equipment: none

How to Play:

The players sit or stand in a circle, and one begins by performing some simple action (clapping hands, waving arms, crossing arms, pointing toes, etc)

The next person must then repeat this action and add a new one. Play continues with each person repeating all of the previous actions in the right order and adding one.

Anyone who cannot remember the previous actions or who is laughing too hard to continue drops out of the game.

The actions can go around the circle several times until only one player is left.
