

**ECOLOGICAL ADVOCACY COMMITTEE
CITY OF SOUTH BEND VENUES PARKS & ARTS
COMMITTEE INTEREST APPLICATION**

The Ecological Advocacy Committee is an organization under the South Bend Board of Park Commissioners created with the purpose of advising the Board of Park Commissioners on matters concerning the perpetuation of a healthy ecological system within the parks and public lands of South Bend. This advisory committee is established to assist in fulfilling the objectives set out by the South Bend Venues Parks & Arts Department (VPA) which calls for cooperative planning, community engagement, strategic thinking, and natural resource management.
